Student Catalog Addendum

The Bureau for Private Postsecondary Education (BPPE) has changed the Student Tuition Recovery Fund (STRF) assessment rate from 50 cents ($0.50) per one thousand dollars ($1,000) of institutional charges to two dollars and fifty cents ($2.50) per one thousand dollars ($1,000) of institutional charges, effective April 1, 2022. This catalog addendum updates and replaces the Tuition and Fee Schedule in the 2022 Student Catalog to reflect this change to the STRF column.
