About National Career Education

Since 1989, NCE has been working with local employers to develop comprehensive quality career training to meet industry needs. Our instructors bring practical work experience to the classroom with relevant hands-on training they provide students. Our 50,806 square foot modern facility is conveniently located in Citrus Heights.

How do I get started?

Meet with the NCE Admissions Department,
it's that simple!

National Career Education is a branch campus of Institute for Business & Technology, Santa Clara, CA. NCE is an accredited member of Accrediting Commission of Career Schools and Colleges (ACCSC). For information on graduation rates, median debt of graduates completing these programs, and other important information, visit www.nce.edu.

Overview

CRHVAC Technicians can work in a variety of environments, from residential and commercial to new construction and of course, many work as or for independent CRHVAC contractors making service calls. The work may entail installing new systems to maintaining and updating older equipment.

What will I be trained in as a CRHVAC Technician?

NCE's RHVAC program is a comprehensive program, which prepares graduates for a variety of entry-level positions. As a graduate of the NCE program, you will gain knowledge in commercial and residential:

- Refrigeration
- Ice Machines
- Heating
- Heat Pumps
- Ventilation
- Air Conditioning
- EPA Certification

Graduates of the NCE CRHVAC program can work in a variety of environments, including:

- Residential
- Commercial
- Industrial maintenance
- New construction

What are some of the jobs I will be prepared for as a graduate?

- Facilities Manager
- Maintenance Technician
- Field Service Technician
- Installer

Why take the CRHVAC program?

- 10.5 months of training.
- Hands-on training
- Financial Aid is available for those who qualify.
- Career placement assistance for graduates.
- Accredited Member ACCSC
